Dearest Soeurs, Teachers, and Alumnae of the Congregation Notre Dame,

Reunion “**Songbirds’ Summer Rhapsody**” concluded on an allegra note, and we all still feel the nostalgia of its lingering memories. We can still hear the resonant laughters, the reverberating peals of joys, and can still see the beloved faces of our youthful days. Reunion 2017 owed its success to each one of us, for we all contributed to its unique character. But we would be greatly amiss if we do not recognize the organizational skills and the community spirit of Team 2017: Mỹ Phượng (79) & anh Quang, Bích Lộc (76), Bích Liễu (83), Thuý Anh (80), Tú Anh (80), Huyền Châu (80), Kim Chi (81), Nina Tuyết Nga (83), Kim Oanh (76), Ngọc Ánh (77), Mai Lan (75), Bích Huyền (83), and Phương Thảo (79).

In the same spirit of celebration and unity, “**Four Seasons Songbirds Rhapsody**” is born, like the dream of composer Hoàng Giác in the song “Homecoming”:

*O how I long to see long lost friends
Birds of flights scattered to the four winds
Birds of song caroling to the skies
Disappearing in horizon’s nights*

From **October 4 to October 6, 2019**, the scattered Oiseaux from Notre Dame du Rosaire (Hanoi), Notre Dame du Langbian (Dalat), and Regina Mundi (Saigon) will flap their wings to gather in sunny Southern California, so that once more, the incessant chatter may resume, and once more, they may relive the glorious carefree gaiety of their school days, and honor the outstanding education they received from the Soeurs of the Congregation Notre Dame.

The year 2019 will also mark the 45th graduation anniversary of the promo 74, the 40th year anniversary of promo 79, and that is when most of the promo 77 will turn 60.

The Organizing Committee of Reunion 2019 is planning an exciting and diverse program to celebrate these important milestones. Details will be released at a later date. We fervently hope that all of you will attend and participate in the various activities of the celebration.

Dear Soeurs, Teachers, Couventines and families, your presence will be the reason and the soul of this long awaited event.
